Council Approves Youth Outreach Extension

The City Council approved extension of the Youth Outreach contract until Feb. 28, 1974, but withdrew about $10,000 it had previously designated for the project.

In January the council approved about $28,000 for four Model Cities law and justive projects to be used as match for Law Enforcement Assistance Act (LEAA) funds. Since that time the courts have ruled that Model Cities money can be used as matching funds so the council wants to withdraw the City's money.

In related matters, the council accepted a $18,600 extension of the present LEAA grant for the Youth Outreach project and had the first reading of an application for $75,000 in LEAA funds to extend the project through February, 1974.

"Contact" Show

"Contact" producer Al Thierry has announced that 'A Look At The Department of Human Development' will be the focal point of discussion on the May 12 segment of 'Contact.'

Hostess Harriet Williams will be joined by Mr. Mel Jackson, director of the Dept of Human Development; Mrs. Regina Glenn, Manpower Director for the city; and Leonard Morse, Property manager for the city.

The program, jointly produced by the Metropolitan Development Council and the Public Affairs Dept. of KTVW-TV, (13) will air at 9am on May 12, 1973.

The Eta Mu Zeta Chapter of Zeta Phi Beta Sorority cordially invites the public to attend a Benefit Afro Hair Style and Cocktail Sip on Sunday afternoon, May 6th, from 3-8 pm at the Caballero's Club at 1516 So. 23. The Down and Outs will provide the music for the afternoon.

Visiting The South

SP William C. Hoots 32, Deputy for the State of Washington, AASRFM, is in New Orleans, La. attending the 165 reunion of the Grand Consistory of La., under the jurisdiction of the Supreme Council of La. Others attending the session are, Lewis Bethea, Marion Jenkins and James Fefe.

Board Wants Money From City

The Model Cities Executive Board spent most of its April 26 session resolving how to get money from the City but failes to resolve an unbalanced budget.

The board made three demands on the City for refunds of money. First, it demanded that the City Council use $27,930 in matching funds for Law Enforcement Assistance Act (LEAA) grants approved in January. The council has expressed a desire to withdraw the fund since Model Cities funds can now be used for the match.

The board questioned why $16,030 in Relocation moeny had been spent since the housing program has not relocated any families yet. Director Keith Palmquist explained that the money was payed to the Urban Renewal Dept. to develop a Relocation Plan which is required by HUD. The board demanded that the City refund that money to Model Cities because it was not used as the board had intended.

Another problem developed over $70,000 previously approved for the second year Neighborhood Development Project. The board wants the City to refund the money to Model Cities during the life of the program or it will cancel the project. Legal questions arose as to whether the board could withdraw its money after application had been made.

Palmquist presented the board with a possible budget that would eliminate five projects and cut the budgets of the remaining projects by 30 percent. The board put Manpower Satellite back in the budget leaving a deficit of about $71,000 unresolved. A special meeting has been called for Wednesday to resolve the problem.

Projects cut from the budget were Enrironmenyal Health and Transportation which are expected to be taken over by the City in Sept. and Homemakers and Sr. Citizens which are expected to go to the City in January, 1974. All other projects would be reduced 30 percent, except for eight projects which have enough funds let to continue to June, 1974.

FOOD FOR THOUGHT

by Mrs. G.M. Batie

Fish Cookery - Fish cookery is an especially worthwhile art to acquire because fish, although usually less expensive, has protein values at least equal to and in some cases greater than the best m eats and it is also rich in iodine and in the B vitamins.

Vets Finding Jobs

During the week of April 16-20, three Model Neighborhood veterans found jobs-one as a local apartment manager, one as a custodian, and one as a night watchman-with the help of Tacoma Veterans Action Center (TAC-VAC).

The salaries range from $400 to $500 monthly including the use of an apartment by the veteran and family free of cost. TAC VAC helped the vets secure the top three positions out of six that were available.

The veteran securing the manager's job had been recently released from a penal institution and was quite desperate for a job, so desperate for a job, so desperate that he had pleaded with the Tacoma Police Dept. for a job.

Finally, a member of City Personnel referred him to TAC VAC, after he stated he had been given the run around for several days. That person in City Personnel assured the veteran he would not get the run around at TAC VAC.

After the veteran received the job, he attempted to compensate TAC VAC for the services rendered, but he was told immed iately that all of the services are free.

Walter (Tiger) White, The only Black member of the greater Tacoma Bowling Association and his daughter Winnie chats with Joe Frazier's manager, Yancy Durham and Eddie Futch the manager of young Ken Norton who recently defeated Muhammad Ali.

Build Your Future BUY A HOME

The Department of Housing and Urban Development has many fine acquired homes throughout the Tacoma area, and all over western Washington. Some are nearly new. All are in good condition. All are reasonably priced, with low down payment.

As a homebuyer, you will realize several advantages: the interest you pay is wholly income tax deductible; you will soon build an equity in the value of your home...making your net worth grow; your home is your castle...yours to live in, in your own individual style.

HUD doesn't sell houses, so please don't call HUD for details. All sales are made through professional Real Estate brokers. Almost all licensed Real Estate brokers have complete lists of homes available. They will be glad to help you find the home suitable for you, and to answer all your questions. Call one today. Ask him about HUD availabilities.

EQUAL HOUSING OPPORTUNITIES

HUD properties are offered for sale to any qualified purchaser. Any person interested in buying an HUD owned property should contact the real estate broker of his choice. Any real estate broker doing business with HUD will sell any HUD acquired property to prospective purchaser without regard to race, color, creed, or national origin. Noncompliance is a basis for precluding the firm doing business with HUD.
